If...is a book of surreal possibilities. It can be explored in many different ways. you can use a single illustration or combine several to create your own stories. For example, "If frogs ate rainbows."..., what would their croaks sound like and what would they say? Or "If cats could fly...and "If mice were hair."..., what then? In contrast, you can perceive each painting as a complete story in itself. I hope this book triggers a smile (either

private or shared) and will help you experience the real wonders surrounding us all: water can become solid; bees do dance; and birds can truly soar.

非常棒的儿童读物，给Olivia读时她问了很多问题，给儿童带来了不同的视角。

达达主义，唯一不足就是页数有点少

想象力美好山、川、河、流及一切。
