Acclaimed author Fiona Patton returns with a brilliant fourth novel in her epic saga of an alternate Great Britain. Camden DeKathrine is expected to be the perfect Branion Sword Knight, dedicated to the realm's ruling Avatar of Flame. But instead, claimed by the Aspect of Wind, he is being drawn into the heart of an ancient heresy which will challenge the power of the Living God. And on the eve of the five hundredth anniversary of DeMarian rule in Branion, the centuries-old conflict threatens to destroy not only Camden and his comrades but the entire Physical and Prophetic Realms....
