Journey into the world of the Hunters-men and women of myth, of legend. The Huntress is a story of strength, bravery, and the incredible risks a woman will take for love. Escape into the legend of the Huntress and discover how it all began. Malachi-A

legend among his own kind. Even among the Hunters, Malachi is unique.and has been from the very beginning. Once a slave, Malachi has never lived free-until a mysterious woman turns him into something he doesn't understand. He fights, seeing it as just a different kind of bondage. Then he realizes this is his destiny. Embracing it could lead to freedom.or it could lead him into an endless hell. Hunter's Pride-Kennedy has returned home to Pride Mountain. Unable to forget the mysterious creatures that saved her life after a brutal attack years before, she's determined to solve the mystery.but she wasn't counting on this mystery. Duncan Pride remembers the night Kennedy was attacked but can't tell her the truth of Pride Mountain. He didn't plan on her courage, her strength, but he can't let her get in the way-his Pride is counting on him.
