When Kevin Kerney is installed as Santa Fe's new police chief, he's welcomed with the brutal stabbing of the wife of a U.S. ambassador. Before Kerney can investigate, an FBI antiterrorism team takes over the case--forcing Kerney to watch from the sidelines as the case is closed with trumped-up evidence. Refusing to accept the FBI's whitewash, Kerney's hunt for the truth becomes more sinister. (July)

Kerney系列第六部。这次不光是破凶杀案，还跟国家政要，白宫，FBI扯上关系了~

结局居然是答应妥协了，嗯。。。结局很沉重啊，倒也挺真实。这本里Sara的戏份不多啊，希望下一本能多写点Kerney和Sara的互动。
