Scandal has rocked the small Southern town of Poplar Grove, and it all seems to be about Betty Sweet's daughter, Maggie. She's gone and left her husband of nineteen years and taken a job in the local beauty shop...and she's reconnected with her old high school sweetheart! No one is more shocked by Maggie's behavior than her tight-knit Southern family. Her twin seventeen-year-old daughters are mortified, and her grandmother is refusing to speak to her. Of course, Betty is stuck in the middle of it all. But, unexpectedly, Betty meets someone special and soon discovers for herself that the course of true love is never smooth. With a little encouragement from her best friend and some newly discovered inner strength, Betty comes to grips with her own happiness and helps Maggie do the same. Hilarious and heartwarming Betty Sweet Tells All proves even in the most troubled times, true love and family prevail.
