A smart young woman making her way through the privileged terrain of northeastern prep-school land, Alice McGuire is certain of her world and her future -- until the summer her best friend and soul mate, Matthew Swan, vanishes on a trip to Mexico. Stunned, Alice and the rest of the close-knit town that adored Matthew search for answers. For Alice, the journey of heartbreak leads from everything that is familiar to forbidden places and forgotten people who will teach her about kindness and forgiveness: lessons that will open her to new possibilities and unexpected hope. Vividly wrought, deeply resonant, and told in a remarkable voice that sparkles with wit and wisdom, Stone Garden is a splendid triumph from an accomplished new writer.
