"Becoming the Woman of His Dreams" is for women who want to be more Cinderella than Cruella De Vil, but this book is not just about living happily ever after. It's a thoughtful look at the wonderful, unique, and God-ordained role a woman has in her husband's life. Author Sharon Jaynes surveyed hundreds of men and asked them many specific questions, including: How would you describe the woman of your dreams? What does your wife do well that other women could learn from? What is one thing you wish women understood about what a man wants in the woman of his dreams? Pulling it all together, Sharon presents seven key qualities that together unlock the secret to a happy marriage.
