Nearly 60 percent of remarriages end in divorce. What can people do to beat the odds? David and Lisa Frisbie share the fruits of more than 20 years of speaking, teaching, and counseling. Having talked to hundreds of couples, the authors use many real-life examples and speak with hope and humor about the challenges. They point to four key strategies to help bring long-term unity: forgive everyone, including yourself; regard remarriage as permanent and irreversible; use conflict to get better acquainted; and form a spiritual connection centered on serving God. With further step-by-step marriage-saving advice about forming a new family unit and helpful discussion questions, "Happily Remarried" makes a great how-to recipe for a successful, happy remarriage.
