Forget The Rules, so what if He's Just Not That Into You? Love and relationship guru Kathryn Alice tells you everything you need to know about finding your soulmate — and helping your soulmate find you. Love Will Find You is a true antidote to all the strict rules-oriented dating books out there, explaining why every one of the 110 million single Americans have reason to celebrate: Nothing will keep love from you. Even if you never leave the house, your soulmate will find you. You are never too old, too fat, or too poor for love. There is no such thing as rejection, only the wrong fit. Hate going out? Does every singles' event feel like a convention of desperation? Are you stuck in a past "crazy love" relationship you can't shake? Using the nine love magnets, Kathryn Alice has helped thousands of people to discard their old notions of dating, teaching practical steps to get love, including: healing your perceived "fatal flaws"; decluttering your heart and releasing old loves; sending out a soul call; and banishing the idea that you need to kiss 100 frogs to find your prince(ss).
