Think the worst won't happen to you? Divorce can turn even the most sensible and perfectly nice people into malicious cutthroats. And while divorce is never easy, it can get downright nasty if your spouse wants to turn the process into the ~~ffifi~~ight of his or her life. Whether your spouse is vengeful, abusive, money-hungry, or just plain angry, a divorce can become prolonged, costly, and psychologically and emotionally damaging to your children. Here, Jeffery M. Leving, one of America's most prominent and experienced divorce lawyers, shows you how to win any divorce fair and square, even when your spouse brings out the heavy artillery. By giving real-life examples, Leving provides essential advice on everything from picking the right lawyer and devising a winning settlement strategy to getting the most from your day in court and dealing with an ex-spouse. *Divorce Wars* will help ensure you are acting wisely and effectively at every stage of the process, and will help you and your children survive even the most painful and ~~diffi~~icult divorce.
