Orphaned at birth and shuttled between foster homes, CIA agent Merrick Grayslake has made a practice of not letting anyone get close to him. But he finds that his emotions are at risk when he is introduced to Alexandra Cole. It has been all work and not enough play for Alex. And what little social life she's had has been on hold for a year while she completes her graduate degree. But her ordinary everyday life changes from the moment she meets Merrick Grayslake.
