The victims are all found face-down in the murky waters of the creek that runs through Cherokee Pointe, Tennessee. They are naked, except for the black satin ribbon tied around their necks. And each murdered woman shares a single characteristic...they are all redheads. Socialite Reve Sorrell has come to Cherokee Pointe seeking answers about her family history and her shocking connection to wrong-side-of-the tracks Jazzy Talbot. With their stunning good looks and shining red hair, the two are mirror images of each other-twins abandoned at birth and raised in very different worlds. And whoever left them for dead on a cold night thirty years ago isn't about to let them uncover the truth now. As a serial killer leaves another chilling calling card in the foothills of the Smoky Mountains, Reve turns to Sheriff Jacob Butler to help her unravel the potentially deadly secrets of her past. But someone will do anything to stop her...someone who won't make the same mistake twice...someone more cunning than she knows...and closer than she ever could imagine.
