When Caitlin Moran sat down to choose her favourite pieces for her new book she realised that they all seemed to join up. Turns out, it's the same old problems and the same old ass-hats.

Then she thought of the word 'Moranifesto', and she knew what she had to do...

This is Caitlin's engaging and amusing rallying call for our times. Combining the best of her recent columns with lots of new writing unique to this book, Caitlin deals with topics as pressing and diverse as 1980s swearing, benefits, boarding schools, and why the internet is like a drunken toddler.

And whilst never afraid to address the big issues of the day—such as Benedict Cumberbatch and duffel coats—Caitlin also makes a passionate effort to understand our 21st century society and presents us with her 'Moranifesto' for making the world a better place.

作者介绍:

Caitlin Moran's debut book, *How to Be a Woman*, was an instant New York Times bestseller. *How to Build a Girl* is her first novel since the one she wrote at fourteen, which doesn't count.
