2015 Eisner Awards Nomination for Best Reality-Based Work

In this collection of raw, emotionally honest stories, MariNaomi explores a wide range of topics including youthful rebellion, mortality, disillusionment, and compassion. Many of these stories were first serialized on the popular site the Rumpus. These poignant stories, some filled with hope, others tinged with remorse, are sure to appeal to even the most discerning reader.

评论

很温情的小故事，画风一直在改变。非常喜欢。

美国版的Persepolis. 有几个故事叙事简洁有力 非常棒. 整体读下来很流畅
但似乎缺少一个arc 希望编排更有意义一点就好了
