Iain Hewitson has cooked on barbies from Boston to Barcelona, and here the Australian TV chef treats readers to over 100 recipes to cook outside. Whether your beast is a crowd-feeder in a big backyard or a hibachi on a balcony, you should find plenty of delicious treats for relaxed outdoor entertaining as well as for everyday family meals, and a stack of hints and tips from the man who knows best about barbecuing.

Discover things you might never have thought of bunging on the BBQ - like Smoky Pizza, or Sizzling Scallops on the Half Shell with Lemon & Chilli Oil, or a succulent Mini Lamb Roast with Eggplant & Capsicum Peperonata. Several old favourites are also given the Huey treatment - like a Good Old-Fashioned Huey Burger and Juicy Peppered Steak Sandwich with Dijon Mustard Aioli. As usual, it's a typical Huey mishmash of cultures, with recipes that are quick to prepare and great to share.
