In the remote, wintry reaches of Michigan's upper Peninsula, it's hard for a man to remember what springtime is like, let alone Spring Training. But when a former teammate tracks him down, erstwhile minor league player Alex McKnight is instantly transported back to the good old Toledo dugout, circa 1971. Unfortunately, Randy Wilkins didn't trek 3,000 miles to the bleak shores of Lake Superior to sit by the fire with a couple of imported beers, dissecting the past, inning by glorious inning. He's here to pitch a proposal: that Alex help him find the woman with whom he had a brief, passionate affair three decades ago. Who is Alex to deny a fellow the chance to ward off classic midlife chill by rekindling an old flame? What he doesn't consider is that there might be a good reason the mysterious, missing Maria is more elusive than a starting position in the majors--and that his trusted old man might not have told him the whole score...

前面比较好，知道是有朋自远方来骗，可人还真挺好玩，也有点难怪会上当的意思，公路片似的，还有些很可爱的老头老太。后头蛇蝎局就太普通了，说来说去血流成河的无非就是靠脸嘛，这种故事不新鲜。
