When a corporate diva Janeen Hampton-Gilliam meets the kind of dream man that'll make most women want to trade theirs in, her struggling marriage with a philandering

husband gets even harder to maintain. Throw in trouble at work and a novel that tells the deepest secrets of her youth, and Janeen has more on her plate than she can handle. Her younger sister, Sissy, is having the time of her life working dirty real estate deals and enjoying her friendship with the young women who are paid mistresses to Dallas's powerful men. But when the only man she's ever loved suddenly reappears, he causes more drama than she could imagine. And then there's Joyce-the eldest of the three, who spends most of her time praying for the sins of the other two, while at the same time dealing with hidden secrets of her own. When she sees a woman who looks suspiciously like Sissy in a compromising position with Janeen's wayward husband, she has to decide which sister deserves her allegiance. The combination of new and old secrets is explosive, and it sets off a whole powder keg of emotions. With so many scandalous issues hanging in the balance, Janeen, Sissy and Joyce are left wondering, "What's A Woman To Do?"
