London's most scandalous beauty, Pandora Effington, intends to marry a hero--not one of those boring, run-of-the-mill bachelor lords who leave her cold. No, the husband she desires must be someone special, someone whose touch sends delicious shivers down her spine, and who will do absolutely everything in his power to win her love. Someone like . . . Maximillian Wells. The dashing Earl of Trent cannot believe his ears . . . or his eyes. Here before him stands beautiful Pandora Effington, and the fiery, unattainable heiress is making him a most tantalizing offer. Maximillian can have the lady's hand in marriage . . . if he agrees to play a game of her devising--one involving great risk, ingenuity, passion, and determination. It is a game he has no intention of losing . . .

作者介绍:

Victoria Alexander was an award-winning television reporter until she discovered fiction was much more fun than real life. She turned to writing full time and has never looked back. Victoria grew up traveling the country as an Air Force brat and is now settled in Omaha, Nebraska, with her husband, two teenaged children, and a bearded collie named Sam. She firmly believes housework is a four-letter word, there are no calories in anything eaten standing up, procrastination is an art form, and it's never too soon to panic.
