Phoebe Gloeckner's first book collects her highly praised autobiographical accounts of a teenage girl's loss of innocence through sex, drugs, rape, and AIDS. This edition includes eight pages of new material. Long respected as one of the finest and most

original of today's underground comics artists, Gloeckner shows both technical artistry and tremendous range--from her sly, lurid, and brilliantly colored posters for rock groups to her textbook-quality medical illustrations; from her sharp naturalistic juxtapositions for "The Atrocity Exhibition" (J.G. Ballard) to the signature comics for which she is best known. Pages include both black and white and color comics, some that were published before in obscure comic books, and some of her classics in addition to new stories. In detailed, nuanced panels, these strips depict the isolation, horror, and disappointment--but also the revolutionary, transformative power--of young women trapped in circumstances ringed with drugs and sexual abuse. Gloeckner continues as a major literary and visual artist.

Amazing. Very expressive art. The stories also made my neck tingling.
