No one can portray the wonder of a new baby or the innocence of childhood quite like artist Becky Kelly. Her paintbrush manages to capture the perfect curve of a baby's plump cheek and the exuberance of a child at play. Whether it's a mother teaching her child about the wonder of nature or a wee woodland critter with a fuzzy baby, Becky captures every evocative nuance and expression with care. Mother's Treasury is a collection of Becky's sumptuous illustrations and some of her favorite poems, stories, and sayings. Becky's timeless illustrations are paired with prose and poems by such well-loved authors as Maya Angelou, Mark Twain, Rudyard Kipling, Charles Dickens, and more. Dive into these beautiful pages: Laugh at a special story that might remind

you of when your child was young, linger over a poignant poem, and be touched by the beauty of Becky's art as she celebrates motherhood, that most noble of professions. All-new art from Becky makes this little book, complete with distinctive details like a ribbon marker and special embellishments, a true keepsake for every mother.
