For Grommet, being a daredevil is easy. But when Grommets hired to secretly spy for saboteurs at the scary Scream World amusement park, he faces the biggest challenge of his life-it could be tough just staying alive! Our popular series offers a reading buffet for every appetite and skill level. When you dish up just the books kids are ready for, theyll bite, and grow into voracious readers. The three drool-worthy selections on our menu start with Nibbles, appetizer-sized portions for new readers. Bites give a larger helping of more advanced reading to the kids who are ready for more. Finally, they graduate to full-sized middle grade novels we call Chomps. Dessert, anyone? Each book has a bite taken out of it, indicating its reading level to parents while tipping off kids that theyre in for a real treat. Written by a host of top-notch, award-winning childrens authors!
