Brighter Child Easy Addition War Game Cards allow children to develop thinking, decision-making, turn-taking, and social skills while playing this fun game at the same time. Offering an easy, fun-to-play math game that teaches children simple addition facts these cards feature charming illustrations of toys that appeal to children and illustrate the problems. A parent information card to explain the benefits of card games in teaching children social skills is also included. The popular "Brighter Child(R) Flash Cards" give children a fun and easy way to practice important skills. Offering 24 titles encompassing preschool to grade 5, each title focuses on an important subject including early concepts, math, phonics, and U.S. History. Fun game ideas and learning suggestions are included to help children build proficiency and confidence. Game cards also allow children to develop thinking, decision-making, turn-taking, and social skills while playing fun games at the same time. Selected titles are also available in English-Spanish and Spanish only versions.
