Woogley Googly!

Animals, creatures, and eyes...oh my! Kids ages three to five will go googly over these fun books featuring wiggling eyes, whimsical rhyming text, Scripture references, and engaging illustrations. The first in the series, Bible Story Favorites , takes children from

Daniel in the scary lion’s den to the wonder of that first Christmas night. Lots of color, pizzazz, and exciting lessons for children to learn and enjoy!

Zany animals with googly eyes look back at children

as they read classic Bible stories such as

“Daniel and the Lions,” “Noah and the Flood,”

and more in this adorable board book.

With rhyming text, Scripture references,

and “can’t-resist-shaking-them” peepers,

Bible Story Favorites is the perfect tool

to teach children the Word of God

in a way they won’t soon forget.
