装帧:Pap

isbn:9780786279524

Edward Eager's hilarious and heartwarming "Half Magic has been working wizardry on young readers for fifty years. To celebrate the golden anniversary of this enduringly popular story, a deluxe edition of the book has been created. It features the original jacket, a ribbon marker, two-color printing, and a new introduction by Jack Gantos, the award-winning author of "Joey Pigza Swallowed the Key.
