To be or not to be a dork? That is the question Now that he's sixth-grade class president, Jerry Flack has all kinds of plans to wow Hawthorne Middle School. For starters, in order to raise money, Jerry plans a Shakespeare-themed Elizabethan festival. But before things even get off the ground, Jerry makes a deal with a bully to complete a series of humiliating dares. Can Jerry ever recover from dorkdom if he embarrasses himself in front of the whole school?
