评论

提到克劳迪娅兰金诗歌里面肤色可见与不可见。

This P***** word is the purest expression (the way an orange expresses juice???)

too american too meta

the artistic (Poetry poems) the political (collective individual) mediation (virtual actual)
subject (labor leisure) the ending is brilliant

我说不清楚的 我不知道原来我清楚的

"All I ask haters——and I, too, am one——is that they strive to perfect their contempt,
even consider bringing it to bear on poems, where it will be deepened, not dispelled,
and where, by creating a place for possibility and present absences (like unheard
melodies), it might come to resemble love."
