Here's a book for every teen who wants to get involved in service and social change. Featuring profiles of real "Difference Makers" and practical tools readers can use to support causes they are passionate about, "The Teen Guide to Global Action" provides everything youth need to make a difference at the local, national, or global level. From suggestions for reducing hunger and poverty and protecting human rights to environmental projects and efforts to promote peace, this book provides know-how teens can use to make the world a better place. There's also a healthy dose of inspiration. Whether it's reading about Zach Hunter, who started an organization devoted to ending modern-day slavery, or Janine Licare, who is helping protect Costa Rican rain forests, teens reading these and dozens of other stories will realize they don't have to wait to become an adult to change the world. Upbeat, practical, and highly motivating, "The Teen Guide to Global Action" is a go-to source teens can use to put their volunteer spirit into practice and make an impact in their world.
