Discover what life is like on five different types of farms. Written from the perspective of young people, this series describes the experiences found living, working, and playing on a farm. So head out to the farm to understand how animals and plants grow, and how farm kids help make it all happen. Did you know that baby pigs can run minutes after they're born? Or that pigs aren't really dirty animals? Alisha Eberly could have told you She lives on a pig farm and talks about the hard work of raising pigs.
