This acclaimed series gives readers the opportunity to learn about other young people whose lives may be very different from their own. Meet the children of Ireland, a nation with a rich and fascinating culture. In Cork, Cormac and Eoghan play the ancient sport of hurling, while Katrina plays rounders. In Donegal, Cait swims in chilly northern waters. John sorts mussels in the seaside village of Cromane. Discover this land of lush hills, busy cities, and ancient stone monuments through the eyes of its children.
