It's Happy Go Lucky's first time riding in a show! He and Dapper Dan, a very professional show pony, will both be there. Dan loves showing, but Happy isn't so sure about it. It's an awful lot of work. He has so much practicing to do!

New places can be scary, and Happy isn't sure what to expect at the show. But with his favorite rider, Ivy, by his side, Happy is going to do the best he can. It's showtime!
