Some people can't eat chocolate, and some are good at whistling. Some people are tall, some are short. People want different things for their birthdays. If we were all the same, it would be like seeing everything in gray--boring. "Each page simply and sensitively explores some of the aspects of human existence that make each person special."--Interracial Books for Children's Bulletin.

非常有用的一本书，自我认知和身份认同，是从小就会面临，而且要一直面对的问题呀~
