"I am Ook, Ook the book.

Will you stop and take a look?

You will see, I'm one good book! " This is no ordinary rhyming book. This is an introduction to twelve different characters including Ug the Bug, Ing the Thing and In the Twin. With fun, tongue-twisting rhymes and colorful illustrations, Ook the Book will have readers in stitches. And meanwhile, before they know it, young readers will become familiar with both the look and sounds of the little phonic parts that make up our written and spoken language. A perfect beginning book for budding book worms!
