This work is intended for children aged 9-14 years. By combining the Gaelic myths and Celtic folklore of ancient Ireland with modern day festivals and celebrations, "Ireland The Culture", presents the traditions and customs of old Ireland with the contemporary

works and influences of modern artists. Historic Ireland is captured through dramatic photographs of castles, churches and prehistoric tombs. Other topics include: Celtic mythology; Irish literary revival; the castles of Ireland; holidays and festivals; Irish pilgrimages; and prehistoric tombs and ancient monasteries.
