A great new DK novelty, books you can see through! Join the little blue fish and discover a magical underwater world -- but watch out for sharks! Inviting you to look through one world to the next, DK Little Windows is a new series of novelty books featuring full-color acetate windows that captivate and intrigue. Beautifully and sturdily made and featuring easy-to-follow storylines, the different scenes -- ocean, farm, jungle, and home -- are sure to provide a magical world for children to explore.
