Do you know what a mouse eats? Could you identify its footprint? Do you know what its nest looks like? Follow the mouse's life cycle, from the first few hours of a new-born pup to finding a mate. Look inside to discover the exciting world of the mouse, from behind the walls of inner-city homes to remote rural hedgerows - explore some of the different habitats that are the mouse's home. Find out about the threats facing mice today and why they can become pests.
