Did you ever wonder why your dog sleeps so much? Perhaps your dog is bored. Maybe it's raining and your dog can't go outside. On days like this, you can always read a book. But most dogs can't read, even the smart ones. There is something really nice you can do for your dog, however. Sara Swan Miller and True Kelley have joined forces to create three new and funny dog adventures. Read your dog the stories in this book--and always remember to pet your dog while you read
