For Kids The Bible is the best book in the whole world God's Word is full of wonderful, true stories. More importantly, the Bible is God's instruction for us, teaching us the best way to live. Through it we learn about Jesus and God's love for us. Did you know you can read your Bible anytime and anywhere? You can memorize verses and share what you learn with others too In I Love My Bible , Debby Anderson teaches the truth of God's Word and shares many verses for us to learn. By obeying what the Bible says, we can grow strong and know more about God every day. For Adults Children have lots of questions about the Bible: What's in it? Who wrote it? How is it different from other books? Why should I study the Bible? This book will help parents and children discover

the answers to those questions. Through a story of explorers searching for buried treasure, readers will see Bible study as a life-changing adventure. It will inspire in them a respect for the truth, uniqueness, and authority of Scripture, and encourage them with the Lord's promises. They will come to see Scripture's importance to their lives and be equipped with the basic tools for beginning a lifelong love of the Bible.
