They are born in zoos, jungles, forests, oceans, and hospitals. This clever book of baby announcement riddles will have children giggling as they use the various text and illustrated clues to guess what baby was just born. The "For Creative Minds" section includes information on different types of animal families, a make-your-own birth announcement for the

newest member of the family (baby, kitten or puppy), and lots of animal fun facts. All Sylvan Dell titles feature free educational resources at www.SylvanDellPublishing.com, including the "For Creative Minds" sections and additional teaching activities.
