isbn:9780672326073

Sams Teach Yourself Adobe Premiere in 24 Hours offers practical advice from an author with a strong writing background, solid teaching experience, and extensive television production credentials—TV anchor, reporter, photographer, and editor plus

recipient of a regional Emmy award and two Society of Professional Journalists 1st place awards. Rather than simply presenting a collection of disconnected hands-on tutorials, Sams Teach Yourself Adobe Premiere in 24 Hours will always remind its readers of the big picture and what they're trying to accomplish. To that end Sams Teach Yourself Adobe Premiere in 24 Hours will supplement its Premiere functionality instruction with tips on shooting high quality video, creating professional voice-overs, and effective editing methods. Anyone with a Wintel PC who wants to venture into anything more than very simple video editing will eventually turn to this book!
