出版时间:2004-6-30

装帧:Paperback

isbn:9780764127298

Large and beautiful color illustrations on every page of this book--one in a brand-new four-volume series--will appeal especially to early grades boys and girls. Kids will also love having the simply written descriptive text read to them as they gaze at the charming pictures--and as they get just a little older, they'll be able to read the text by themselves. Both words and pictures evoke the moods and activities of autumn, and the illustrations show children at seasonal play.
