isbn:9780618507641

I See a Kookaburra lets readers search for an oystercatcher, an elephant shrew, and a fierce snapping turtle in the places where they live. Learn how these animals and many others grow and thrive in very different environments. Incorporated into the book is an interactive element. Hidden in the illustrations are animals camouflaged in their surroundings. Turn the page to see if you were able to find them all
