Piglet and Yellow Hen are the best of friends. In fact, they're inseparable. Then one day a squabble rumbles into an argument and the argument bubbles over into an enormous row...and the squabbling and squawking commences. The other animals can't bear it so they hatch a plan to bring the friends back together - a plan that involves a fake yellow hen and a little white lie. The plan is put into action and, to everyone's great relief, it succeeds...but when it comes to who should take the credit for saving the day, another bout of squabbling and squawking begins!
