JUST WHEN KELSEY is finally fitting into her new California life, C.J. Logan comes along and throws her for a loop. He's hot, popular, and revered as the best skateboarder around. Girls want to be with him, an boys want to be him. And Kelsey is lucky enough to be his girlfriend. But when she decides that it's over between them, she could not imagine what would happen next. It's as if she's broken a commandment--Thou Shalt Not Dump the Skater Dude. Now she is back where she was in eighth grade: an outcast. With rumors flying, she is forced to figure out who her true friends are and who her true self really is.
