Three of Jean Ure's stories in one volume of classic girly fiction with Sugar and Spice , Secret Meeting and Is Anybody There? In Sugar and Spice , Geeky Ruth Spicer is shocked when super-cool Shayanne Sugar wants to be her friend. In Secret Meeting , Annie's arranged the coolest birthday present for her best friend, Megan.The friendship of three girls is tested when one of them accepts a lift with a stranger in Is Anybody There? . These three classic girl's stories combine vivid characters with real life problems and a touch of humor.
