Intuition is the hot buzzword in business, but specific guidelines on how to trust your gut have been sorely lacking. *Put Your Intuition to Work* provides that missing link.

Business is about making money, but it's also about making decisions. There are relatively small decisions, like when to call a meeting or which emails to answer quickly. Then there are the big decisions that can make or break a business—which product to launch, whom to hire, how to spend.

Hard work, analytics, past successes, intelligence, and a great business plan aren't enough anymore. Many of us are scrambling to discover the path to success but have found instead that we've lost our way. Although many business leaders won't publicize it, intuition is a key part of their decision-making success. *Put Your Intuition to Work* offers numerous compelling stories from entrepreneurs and executives about how they successfully use intuition in their daily lives. It is an inspiring and practical guide to help you:

Make successful decisions when you don't have all the facts.

Tap into your passion as a personal source of guidance.

Discover the many ways to listen to your "inner CEO."

【Review】

"Put Your Intuition to Work is a wonderful illustration of the use of intuition as a valuable success tool in the workplace. Lynn Robinson shows us how we can harness the power of intuition to experience more happiness, health, and prosperity in every area of our business and personal lives. This is a must read for anyone that would like to achieve a higher level of success!"

—May L. McCarthy, speaker, investor, philanthropist, and best-selling author of *The Path to Wealth*

"When it comes to the power and possibilities of intuition, Lynn Robinson makes it remarkably accessible and understandable! Lynn's clear and compelling insights and wisdom about how to apply and use intuition are also impressively illustrated in the many actual stories of intuitive success in action. When you are looking for help in utilizing and implementing the instinctual impulses that can be so profound and valuable in every aspect of our lives, start with Lynn Robinson's *Put Your Intuition to Work*. You will be amazed and delighted."

—Steve Lishansky, CEO of Optimize International and author of *The Ultimate Sales*

“Put Your Intuition to Work [is] a powerful amalgam of successful doers and discoverers answering two critical questions: ‘What is intuition?’ and, ‘How can I use it to make better decisions?’ If you have any special twinge or curiosity as you read Put Your Intuition to Work, you have just had an intuitive experience. Buy the book. You don’t need any more information.”

—Richard Whiteley, co-founder of The Forum Corporation and author of The Customer Driven Company
