When Debbie the cow learns of the Secret Chicken Club, she is inspired to start a Secret Cow Club. Of course, she is the only cow on the farm, and even Debbie knows you cannot have a club with only one member. Could she join the chickens' club? 'Heavens no,' clucks Blanche, the club president, 'it's only for chickens.' And so a wacky series of events ensues as one by one the animals on the farm the goat, the sheep, the duck join the Secret Chicken Club or do they? George Shannon's gentle tongue-in-cheek humor and Deborah Zemke's delightfully comic pictures once again combine to create a club all young readers will clamor to join.
