isbn:9780742419537

A visit to the library is an experience that young children enjoy. These books will help teach them that the librarian is a person who can provide them with a wealth of information in a place where their imaginations can soar. Topics range from: teaching

students how to properly care for a book, library behavior, literary genres, and parts of a book. Concepts are presented through fun worksheets and activities, including technology activities, Internet resources and online research activities. Reproducible. Includes 128 pages.
