Ben Floyd has a lot on his mind. He enjoys the close-knit group of friends in his small

neighborhood, but lately he has been longing for a taste of adventure. Keeping an eye on his younger brother Cody is getting to be a big responsibility. And he is confused by complicated feelings he has for his life-long friend, Cass. An unexpected turn of events finds the Floyd family in the Florida Keys over Christmas vacation and offers Ben a welcome opportunity to escape the neighborhood routine. Here he meets Mica, an independent, strong-willed girl who lives a nomadic life aboard a boat with her marine biologist father. Mica teaches Ben and Cody to fish, sail, and snorkel, and together they explore the area. But Ben soon realizes that adventure sometimes brings danger, and that at the center of Mica's seemingly charmed life lies a mysterious loneliness.
