Mercer Mayer's classic wordless tales of a boy and his animal pals are now available in

attractive, low-priced hardcover editions. These delightfully funny books follow a young boy as he romps through the woods, making mischief and new friends along the way. This series launched Mercer Mayer's distinguished career over twenty-five years ago, and is just as fresh and appealing today. Mercer Mayer is considered one of the creators of the wordless picture book form. "A Boy, a Dog and a Frog" was his very first published book. Since then he has gone on to create the classic "There's a Nightmare in My Closet," the wildly popular Little Critter series, and many more beloved books for children.
