Mama Duck is playing hide-and-seek with her ducklings. As fast as you can say one, two, three, they find hiding spots. Except for Dawdle Duckling, that is. He takes his time ... and gets some help from his friends. Turtle, Frog, and Fish all suggest that he hide behind them. But they're much smaller than Dawdle Duckling. And Mama Duck is

about to come looking. How can our hero win the game? Ollie, ollie, in free! This is a happy, funny tale of friendship, cooperation, and the joy of play-a terrific companion to Dawdle Duckling, which Kirkus Reviews called "just right for the preschool set" and Publishers Weekly dubbed "immensely satisfying."
